Dear President Pro Tempore Butch Miller,

I am writing to say THANK YOU. Because of your hard work, teachers and state employees will have three weeks of paid parental leave. We understand that this legislative session was difficult with the recovery from the COVID-19 pandemic. Yet, you continued to ensure that paid parental leave remained a priority and we are grateful for all of your hard work. Due to your efforts, eligible employees can take care of themselves and their families after birth, adoption, and foster placement with less worry about missing a paycheck. Paid parental leave is important for the health and wellbeing of families and is an important step in improving maternal and infant health in our state. Thank you again so much for your work on behalf of Georgia's moms and babies.
