Dear Representative/Senator \_\_\_\_\_,

I am writing to say THANK YOU for your efforts in moving postpartum Medicaid extension to a year forward this legislative session. We understand that this legislative session was difficult with the recovery from the COVID-19 pandemic. Yet, you continued to ensure that postpartum Medicaid extension remained a priority and we are grateful for all of your hard work. Pregnancy Medicaid covers most mothers in Georgia when they give birth, and extension would allow them to receive the care needed to stay healthy during the vulnerable postpartum period and manage physical or mental issues that may have developed during pregnancy. We were disappointed to see that 12 months of postpartum Medicaid extension did not pass, but look forward to supporting your efforts next session. Thank you again so much for your work on behalf of Georgia's families.
