Senator/Representative/Chairman/Chairwoman \_\_\_\_\_,

I am writing to say THANK YOU. Because of your hard work, SB 375 passed. We understand that this legislative session was a difficult one with the onset of the COVID-19 pandemic and the call for budget cuts. Yet, you continued to ensure that applying a tax to vaping products remained a priority and we are grateful for all of your hard work. Due to your efforts, a 7% tax will be added to vaping products generating an estimated \$50 million in additional revenue for Georgia. Additional revenue is especially need during these times to protect the programs and initiatives that families need. Thank you again so much for your work on behalf of Georgia's families.
